I am making a request under the Freedom of Information Act for copies of materials I believe to be available to the public.

I request the 2003 Department of Labor or MSHA report on the Martin County Coal impoundment failure.

I am a journalist working to benefit the public and ask you please waive any fees associated with my request or notify me in advance if you intend to apply fees.

Thank you for your time in this matter.

Sincerely,

Nate Carlisle
